

1 God of cre - a - tion and of grace, how won - drous is Thy might!
 2 Full man - y a small and sim - ple seed grows up a state - ly tree,
 3 The earth Thy sov - ereign will o - beys, and ve - ge - ta - tion pours
 4 Lord, fruc - ti - fy the ho - ly seed once plan - ted in our hearts;

Thy love in all Thy works we trace, Thy works, by faith or sight.
 to bear a - bun - dant fruit in - deed on its broad branch - es free.
 con - tin - ual trib - ute to Thy praise from her o - be - dient stores.
 con - tin - ual help our spi - rits need, the help Thy grace im - parts.

5 The seed was planted by Thy grace
 and watered by Thy love,
 to spring up from its hiding-place
 and grow to heaven above.

6 Make us, dear Lord, t'ward Thee to spring
 in love, and faith, and grace,
 'til Thou Thy risen saints shalt bring
 with us to see Thy face.
